President's Council on Integrity and Efficiency
Information Technology Roundtable
John P. Higgins Jr., Department of Education Inspector General, Chair

Activity Status: *10 August 2004*

1. Plans are in the works to have the next PCIE Roundtable on 27 August. The focus will be computer crime.

2. We will be sending out a schedule before the next meeting listing the dates for the next year. Roundtable focus will rotate back and forth between IT Audit issues and Computer Crime issues – both disciplines are welcome at any meeting and are encouraged.

3. We recently polled the IG community for updated contact information – we have assembled it and will be sharing it with the participants.

4. Probable topics for 27 August meeting:

   - IG relationship and expectation with DHS with regards to cyber side of the national infrastructure. The plans are for DHS representative to speak/address this topic

   - Commercially available forensic support

   - ID Theft Presentation with video clips from the debriefing of a prisoner convicted of ID theft – he explains how easy it was accomplish.
